About the Organization Every day the associates at United Hospital Center provide compassionate and quality care using the most state-of-the-art technology available. UHC was named one of the nation's 100 Top Hospitals by Thomson Reuters in 2007, and the Institute for Healthcare Improvement (IHI) visited UHC as part of its "Fall Harvest" tour in October, 2007, recognizing UHC's commitment to patient safety and care initiatives. Cleverley + Associates has recognized UHC as a top-ranked Community Value Provider from 2004-2007 and HealthGrades ranked UHC in the Top 5% in the Nation for Clinical Excellence in 2005. From diabetes management to cancer care to classes and screenings, UHC combines the knowledge of some of the foremost doctors and nurses in the field to provide a range of advanced care at a personal level for you and your family. United Hospital Center, Inc. (UHC), a not-for-profit community hospital, provides a full range of health care services to residents of North Central West Virginia without regard to an individual's ability to pay. The hospital recognizes that some patients are uninsured, underinsured or otherwise unable to pay for essential medical services and as such provides millions of dollars in charity care. The hospital also supports and finances numerous community outreach efforts.
