

## North Central West Virginia Opportunities Industrialization Center (OIC):

- Private non-profit community based facility
- Serving North Central West Virginia since 1975
- Accredited by the North Central Association Commission on Accreditation and School Improvement
- Provides students with the opportunity to develop the career skills and personal attributes necessary for success in today's job market
- Offers a unique combination of academic and hands-on curriculum based programs
- Offers extensive career training over a short period of time

**The Opportunities Industrialization Center (OIC) is a member of the National Association of Health Professionals.**

**OIC is committed to providing students with the knowledge and skills necessary for career development. Each student is given individualized attention and every opportunity to develop intellectually, vocationally, and emotionally.**

**OIC recruits and admits students without regard to race, creed, color, age, sex or national origin.**

OIC Training Academy is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.
